Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The announcements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 773 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

Your mention of The Official Catholic Directory when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

Improved Summary of Statistics

Subscribers generally, statisticians and analysts in particular, will find the presentation of Catholic statistics in the *General Summary* of greater help than ever before.

The 63 categories of personnel and institutions are rearranged to show the totals for component dioceses of each state, and for the nine sections of the U.S.A. (New England, Middle Atlantic, etc.). The tables comprise some 11,277 statistics and are an exact breakdown of the Catholic Market in the 48 States, presented in standard statistical form, for easy reference and comparison.

The new tables for 1957 follow the United States section of this Directory.

47,903 Reasons Why

"they are the Perfect Solution of Our Mailing List Problems!"

Many of those, who in the past have had to depend entirely upon the pages of this Directory for their mailing lists of the Reverend Clergy and Institutional Superiors, are now enthusiastic and regular users of *The Official Catholic Directory Mailing Lists* because of their outstanding and exclusive features.

Serving the Church Since 1817

O. C. D. Mailing Lists

are AUTHORITATIVE and OFFICIAL LISTS

FULLY SELECTIVE • ACCURATE • COMPLETE
UP-TO-DATE • CORRECT IN ALL DETAILS
FAST, EASY AND INEXPENSIVE TO USE

★ Over 47,900 clean-cut metal plates include all pastors; individual clergy; all institutions, religious, educational and welfare, in 5 main lists and many special classifications, fully selective not only by states but also by separate dioceses.

★ The addressing plates carry the full name of the individual, ***with the proper ecclesiastical rank and title,*** as well as the correct initials of the Religious Order wherever appropriate.

★ The accuracy of O. C. D. Lists ***is maintained by continuing reports from official sources*** of all changes as they become effective; it is thus now possible to compliment the recipients of your letters by addressing them properly in every instance by their individual names and correct titles.

★ O. C. D. Lists are used by the United States Government, by members of the Hierarchy, national bureaus and other activities of the Church, many Religious Orders, Catholic and general publications, as well as business houses who wish to address, quickly and correctly, the personnel of the Church in the 48 states. This service is available only to reputable concerns and its indiscriminate use is not permitted.

★ *Before* you plan your next mailing, study the manifold, unique features, the speed and economy of O. C. D. Addressing and Mailing Services. For latest list counts, rates, instructions, samples and other data write or phone

Many of those, who in the past have had to depend entirely upon the pages of this Directory for their mailing lists of the Reverend Clergy and Institutional Superiors, are now enthusiastic and regular users of *The Official Catholic Directory Mailing Lists* because of their outstanding and exclusive features.

O. C. D. Mailing Lists

are AUTHORITATIVE and OFFICIAL LISTS

FULLY SELECTIVE • ACCURATE • COMPLETE
UP-TO-DATE • CORRECT IN ALL DETAILS
FAST, EASY AND INEXPENSIVE TO USE

Serving the Church Since 1817

★ Over 47,900 clean-cut metal plates include all pastors; individual clergy; all institutions, religious, educational and welfare, in 5 main lists and many special classifications, fully selective not only by states but also by separate dioceses.

★ The addressing plates carry the full name of the individual, ***with the proper ecclesiastical rank and title,*** as well as the correct initials of the Religious Order wherever appropriate.

★ The accuracy of O. C. D. Lists ***is maintained by continuing reports from official sources*** of all changes as they become effective; it is thus now possible to compliment the recipients of your letters by addressing them properly in every instance by their individual names and correct titles.

★ O. C. D. Lists are used by the United States Government, by members of the Hierarchy, national bureaus and other activities of the Church, many Religious Orders, Catholic and general publications, as well as business houses who wish to address, quickly and correctly, the personnel of the Church in the 48 states. This service is available only to reputable concerns and its indiscriminate use is not permitted.

★ *Before* you plan your next mailing, study the manifold, unique features, the speed and economy of O. C. D. Addressing and Mailing Services. For latest list counts, rates, instructions, samples and other data write or phone

EVER BEFORE...

the Mark of the Finest!

L'OSSERVATORE ROMANO took cognizance last year of the leadership which Lawson Associates has gained in the field of Catholic fund raising. This Vatican City newspaper printed a 2,000 word article on the methods and results of our work for the Church in this nation and in Canada. Two other newspapers published in Vatican City — L'OSSERVATORE DELLA DOMENICA and PARROCHIA — reprinted the article in subsequent editions. We are extremely proud of the honor thus bestowed upon us. *But we know full well that the greatest benefit from our endeavors of the past is the experience which we utilize for even greater achievement in the future* . . . for you.

Since the L'OSSERVATORE ROMANO article this firm has continued to lead the way in planning and directing better fund raising campaigns for the Church. No other firm achieves the high ratio of dollars raised compared to campaign costs. This has become through the years a hallmark of Lawson Associates: More dollars raised per dollar of cost for those who honor us with their trust — parishes, dioceses, archdioceses, hospitals, colleges, and other institutions of the Church. This is important to you. But just as important is the fact that the results achieved in Lawson Associates campaigns are brought about with proper dignity, with no distasteful methods, and with a conclusion insuring high cash collectibility on pledges.

Because of continually-expanding demands for our services, Lawson Associates has established a second office, to provide better service to the Western reaches of the land. The Lawson executive in charge of this office in Seattle, Washington, may be reached by a collect telephone call to Lawson Associates in Seattle, MUTUAL 3691, or by a letter or collect telegram to LAWSON ASSOCIATES, 101 JONES BUILDING, SEATTLE, WASH.

Our New York office will continue to afford such service to the Eastern portion of the nation, and can be reached by a collect telephone call to ROCKVILLE CENTRE 6-0177 or a letter or collect telegram to LAWSON ASSOCIATES, 53 NORTH PARK AVENUE, ROCKVILLE CENTRE, NEW YORK.

You, too, can set the CHURCH BELLS RINGING

Only a generation ago, less than five dozen American churches could afford the inspiring and enduring music of carillons.

Today more than five *thousand* churches in this nation influence their communities with bell music played regularly . . . thanks to the scientifically developed products of a devoted company in Sellersville, Pa.

The men and women of Schulmerich Carillons, Inc., have cut the high cost of bell installations just as they have reduced the vast weight requirements. Weighing only a few hundred pounds, a Schulmerich "Carillonic Bells"* instrument is easily transported and installed. Yet its counterpart in a set of conventional cast bells weigh 75,000 pounds or more.

And the price? Instead of costing $100,000 or more, a Schulmerich carillon can be obtained for as little as $2500.

Moreover, even experts can't tell the tonal difference between a set of perfectly cast bells and Schulmerich "Carillonic Bells."

*"Carillonic Bells" is a trademark for bell instruments of

Doesn't this suggest "Carillonic Bells" as the appropriate memorial gift for your church? Doesn't it mean that your church, too, can set the bells ringing?

CHURCH INTERIORS

Executed and installed for beauty and devotion . . . yet to fit your budget

In cooperation with the pastor, Rev. Paul J. Simko, and the Pittsburgh architects, Alfred D. Reid Associates, Winterich's had the privilege of executing the marble and mosaic work, seating, metalware, sculpture, stations, tester, lighting fixtures and altar metalware for the new St. Patrick's Church in Canonsburg, Pennsylvania.

The exquisite mosaic reredos, portraying the works of the Trinity; Creation is at the left, Redemption in the center, and Sanctification at the right, was designed by Marjorie Firsching and executed and installed by Winterich's.

About 'Fair Share'

The 'Fair Share' Plan* originated and owned by us exclusively, has been refined and improved until today it incorporates the wisdom of years of experience and presents a fresh, wholesome and dignified approach to Catholic fund-raising.

'Fair Share' Campaigns are *Catholic* campaigns.

'Fair Share' Campaigns are based on *education* — the one quality which will sustain a congregation's Church support when all else fails. A gift made out of love of God and loyalty to Church *will be paid* and by a *cheerful giver.*

'Fair Share' Campaigns have been conducted successfully in *every type* of *Diocese* and *Parish* — rural and urban — and in all parts of the United States and Canada.

'Fair Share' Campaigns have raised *one hundred million dollars* for every type of *church need* — *building, expansion* and *debt-liquidation.*

'Fair Share' Campaign costs are *moderate.* In nearly every instance, the amount of cash collected is sufficiently over the original goal to care for the entire cost of the campaign.

'Fair Share' Campaigns are set up to include a simple and effective *collection system* with a *follow-up* maintained for the duration of the payment period.

'Fair Share' Campaigns are *liked by Clergy* and *Laity.* For this reason, we have been invited to return to dioceses and parishes for *repeat* campaigns *two* times in *four dioceses;* as many as *seven* times in *one* parish, *three* times in *six* parishes, and *two* times in *forty-five* parishes. In *two* dioceses, there have been over *thirty* separate 'Fair Share' parish campaigns.

About Our Firm

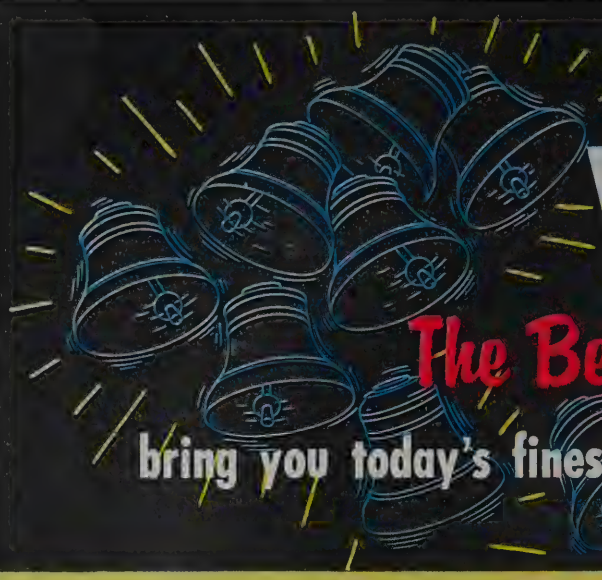
We are in our *thirty-sixth year* of Catholic fund-raising.

We have directed substantially more *diocesan* campaigns than all other fund-raising firms combined.

We have directed more *multiple parish* campaigns for *high schools* than any other firm.

We have directed over *four thousand five hundred* parish campaigns.

Our Campaign Directors are experts, thoroughly trained in our 'Fair Share' method of raising funds. They are carefully selected for their character, integrity and educational background.



Our 'Fair Share' Campaigns are our only sales force. If you wish a personal consultation with one of our experts, an appointment, without obligation on your part, will be made at your request.

If you want and need money to keep your Diocese or Parish in step with the great march of progress of the Catholic Church, write us now for your 'Fair Share' Campaign.

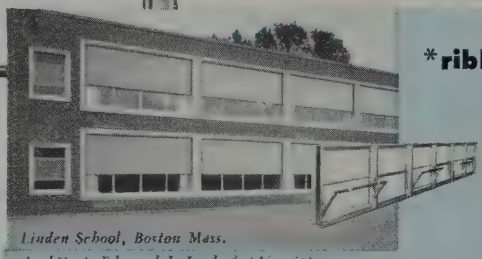
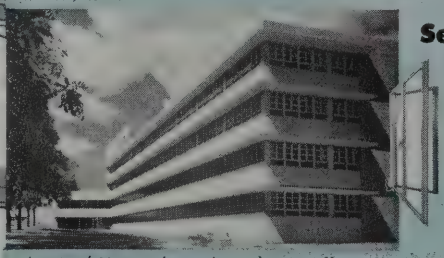
MARMET



ALUMINUM DOORS AND WINDOWS ADD GLEAMING BEAUTY

to church, school, hospital and institutional buildings

Beautiful in the very simplicity of their design . . . Marmet Series 100 Church windows in contemporary, gothic and rose window sash . . . lend architectural dignity to both ultra modern and traditional church structures.



Made of the finest extruded aluminum alloy, Marmet windows are constructed with the closest attention to details . . . all electrically welded to achieve hairline mitres. A smooth surfaced, special snap-on aluminum glazing bead (which eliminates screws), simplifies a later change to stained glass . . . accommodates up to ⅜" leaded glass!

Linden School, Boston Mass.
Architect, Edmund T. Leeds & Associates, Malden, Mass.

*ribbon windows • ideal for classrooms

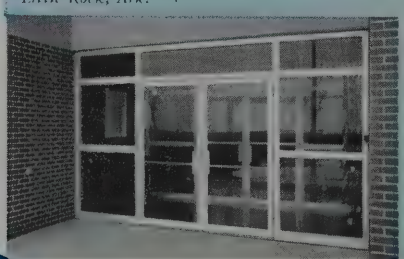
Marmet Ribbon sash with continuous head and sill provides a pleasing, unbroken sweep of line and lowers labor installation costs. It has many applications where large expanses of glass block or other masonry require rigid support. Available in Series 300, and extra heavy Series 200.

A typical Marmet hospital window installation

Series 401 projected windows ideal for hospitals

This series has heavy wall sections which assure maximum strength and rigidity. This allows large areas of glass to be projected, or opened for ventilation. Projected glass can be arranged to open either outside or inside . . . to swing vertically in casement style or with horizontal hinging as illustrated in the hospital windows at left.

* lasting beauty



The gleaming luster of Marmet's alumilited or satinized finish "stays new" indefinitely. A special dip treatment in the world's largest etching tanks removes all surface impurities . . . assures even weathering, freedom from usual maintenance problems.

Blue Cross—Blue Shield Bldg., Little Rock, Ark.
Architect: Wittenberg, Delony & Davidson, Little Rock, Ark.

Custom series 1200 Can be engineered to any design

For rectories, school administration buildings, libraries, etc. . . . there is no limitation on the architect's imaginative skill. Engineered on order to fit the most unusual architectural concepts, it is made of the finest extruded aluminum alloy, 3/16" thick in both the frame and sash sections. Snap-on glazing bead accommodates up to 1" insulated glass.

Marmet stock doors and entrances

Marmet's Series 1100 Narrowline door's slim beauty is achieved through a special deep penetration, Full-Weld process. This "thru welding," combined with tubular extrusions, provides great strength without clumsy bulk. Matching entrance sections are available in a variety of modular sizes . . . which simplifies the modernization of old entrances as well as fitting installations on new construction.

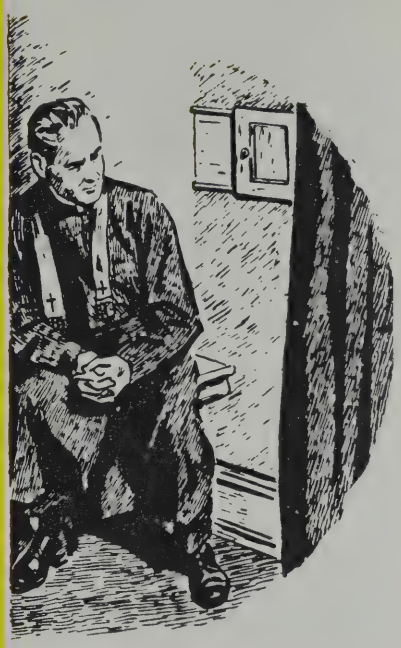
HOW YOU CAN REMOVE THIS "Hidden Barrier"

that keeps the hard-of-hearing away from confession



"In every parish, there are hard-of-hearing people who are easily disposed to lose their precious Faith because they find confession such a tragic adventure"... So warns Rev. George J. Haye, director of the Apostolate for the Deaf and Hard-of-Hearing.

The Apostolate authoritatively reports that 18% of all Catholics suffer a hearing impairment—that leads them to neglect confession.

Now you can draw these sensitive, embarrassed parishoners back into the comfort of the sacrament. Hundreds of churches and cathedrals are already doing so—with Confessionaire.

Confessionaire brings the priest's faintest whisper clearly and distinctly to the afflicted penitent. It is as easy to us as a telephone, simple to install in any confessional, and plugs into any standard AC or DC outlet. The modest cost is only $74.00 complete. But you are invited to try it—without cost or obligation of any kind—in your own church, for 30 days. If you find Confessionaire the indispensable answer to this acute problem, we will bill you later. Otherwise, you may merely return it, express collect, and owe us nothing.

SUMMIT AGNUS DEI TABERNACLES

Copyright 1957, Summit Studios

No. 250

When tabernacles are selected careful consideration must be given to the instructions issued by the Sacred Congregation for the discipline of the Sacraments on the diligent custody of the Most Holy Eucharist.

SUMMIT AGNUS DEI TABERNACLES are skillfully handcrafted and beautifully finished by master artisans in strict conformity to these rubrical regulations.

SUMMIT STUDIOS are the originators of these unique features found in SUMMIT AGNUS DEI TABERNACLES:

1. The first free-standing Tabernacle of modern construction.
2. Disappearing, hingeless semi-circular door, revolving on precision double-row ball bearings.
3. Large, unobstructed door openings, without grooves in floor and without slots or latches in doorway.
4. The sliding Thabor, which extends at will above and to the front of the tabernacle itself as an exposition throne.
5. Revolving tabernacle floors, to bring ciboria in large tabernacles within easy reach.
6. Triple locking device gives complete safety.
7. Burglar and fire proof.

Be wary of imitations! Look for the emblem of the Agnus Dei on face of lock, and for the name Agnus Dei on key bow.

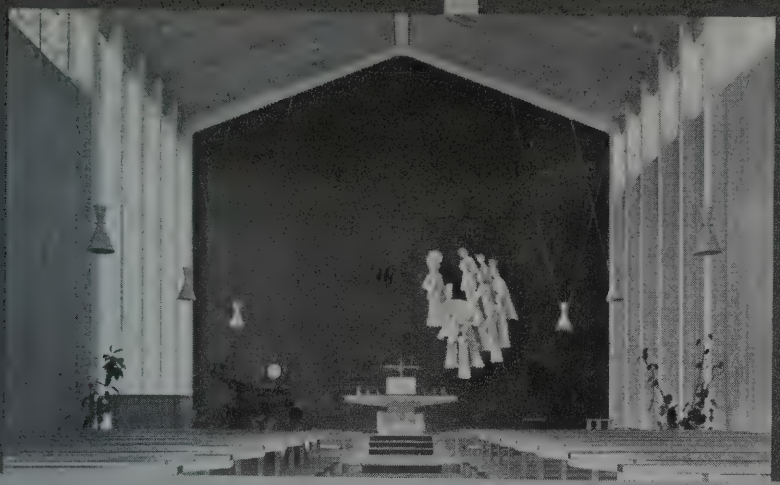
LIQUIDATION OF INDEBTEDNESS

In the 51 years since its founding, this firm has organized and directed campaigns which have raised more than $1,650,000,000. Many of these campaigns have been for the Church and Her institutions.

A recent campaign for St. Mary's Catholic Hospital in Kankakee, Illinois, raised $912,226 . . . over $200,000 more than the goal for the campaign. Other recent campaigns conducted by this firm for institutions and projects of the Church include: Cathedral of Saint Raymond, Diocese of Joliet in Illinois, $2,567,631 raised; St. Joseph's Hospital, Phoenix, Arizona, over $2,000,000 raised; St. Clare's Hospital, Schenectady, New York, $2,618,000 raised; Catholic High Schools, Diocese of Joliet in Illinois, $1,455,000 raised; Regina Nursing Home and Home for the Aged, Evansville, Indiana, over $753,969 raised; Immaculate Conception Church, Malden, Massachusetts, $229,365 raised; Church of Immaculate Conception, Atlanta, Georgia, $117,000; and Church of the Little Flower, Springfield, Illinois, $280,904 raised.



Because an appeal can only be made occasionally, it is essential that it be successful. And because this firm has compiled such an exceptionally successful record . . . one of the wisest investments you can make is to arrange, at no cost or obligation, a pre-campaign consultation with Ward, Dreshman and Reinhardt.

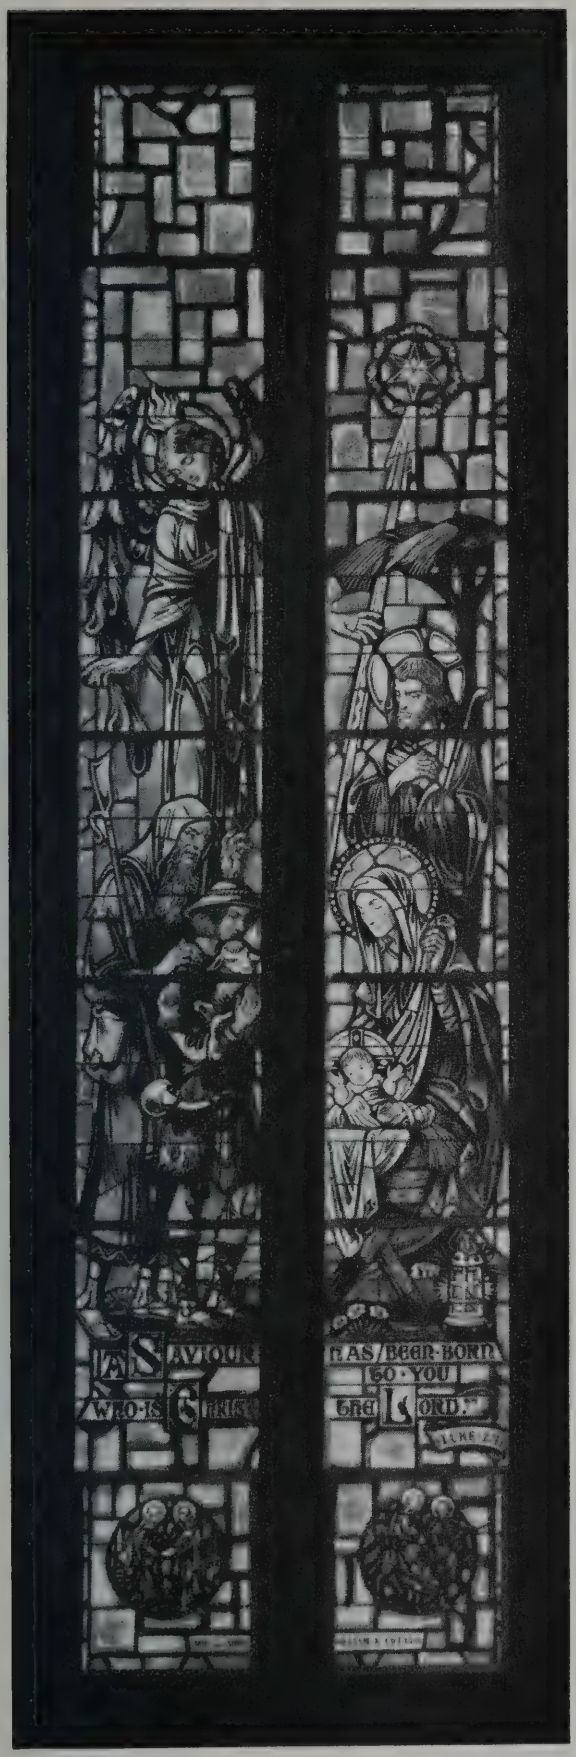
Root QUALITY

ROLLED BEESWAX CANDLES

...unlike ordinary altar candles, are not dipped or molded, but rolled from sheets of 51%, 67%, or 100% guaranteed beeswax, specially refined to remove more of the smoke-producing resins. The result is a far stronger candle... non-bending in hottest weather... cleaner... with up to 15 to 25% more burning time than other altar candles of the same composition. We invite your comparison: samples sent on request.



ROOT BOTTLE LIGHTS represent the outstanding advance in sanctuary lights of the past century. Originated by Root, its exclusive neck design directs the heat to the wax, insuring quick, even melting and a steady flame. Samples sent on request (Rubrical or Regular).

There is nothing to compare with the sweet God-given aroma of genuine beeswax.

Turn-of-a-dial Control over all operations

with this privately-owned telephone system

P-A-X links every room with every other room.
Especially important in schools. A faculty member receives a brief P-A-X call from office requesting a student's presence. Student can be on his way within a few moments.

P-A-X links Training Supervisor to other groups.
With its fingertip convenience, she can summon individuals for personal guidance, make appointments, schedule meetings—without leaving her desk!

P-A-X links service departments with staff.
Instructions to boiler room, cafeteria, maintenance and other service departments via P-A-X speed administrative routines. In emergency, control is quick, positive.

A study of communications at a modern high school is offered in an 8-page booklet of special interest to administrative personnel. Write for your free copy of "P-A-X at Mumford High School"

Directors of Catholic Institutions coast to coast find the quick, private communications provided by a P-A-X Business Telephone System a principal source of *operating control*. P-A-X Systems in schools, convents, monasteries, and welfare agencies have helped make administrative jobs easier, speeded up work, promoted efficiency. Here's the reasons given by most Directors: just a turn of the P-A-X dial on these standard-type telephones brings the voice of teacher . . . gym coach . . . personnel director . . . engineer . . . right to the Director's desk *in seconds*, providing needed information on the spot!

In the same way, P-A-X saves time for his staff, his co-workers, for *everyone* involved in running the institution. That's why so many administrators are putting P-A-X into their building and modernization plans. There's a P-A-X System for the special needs of *your institution*, "customized" with features and services as *you* want them. COLOR SELLS

THE NATURAL BEAUTY AND GLORY OF THE CHURCH

Lithographed in full natural color for your own individual Parish. Churches have doubled —yes—quadrupled sales over other types of religious greeting cards. No other card has this personal appeal for a church member.

Most churches clear from $250 to $1,500 (at 52c profit per box) from this source alone. (Mass cards, bulletins, etc. available from the same natural color plates).

"Put Christ Into Christmas" must be done by the Church. No commercial outlet is going to push religious greeting cards. Let's work together on a proven program. Combat "Cat and Dog" greeting cards.

Christmas cards are usually displayed in a prominent part of the home. Every box of cards covers 12 homes. The average church gets into 12,000 homes. The impact of these cards is tremendous. One of our churches this year has been received into over 36,000 homes.

DO IT TODAY — these cards are not available "off the shelf" because they are tailored to your individual requirements. It takes several months to prepare them for your parish.

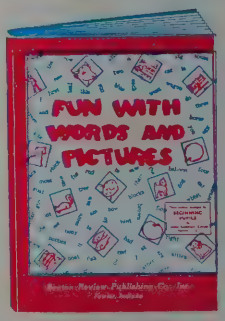
THE MAGIC TEACHER PRACTICE PATTERNS



These new PRACTICE PATTERNS afford unlimited drill in the basic skills of Arithmetic. A set consists of four cards, each 5 x 8 in., die-cut so that a small rectangular window appears below each problem. The pupil places the card on a sheet of blank paper and writes each answer in the window. When card is turned over end for end, the correct answers appear just below the pupil's written answers for easy self-checking. Each box contains 4 Sets, a total of 16 cards per box.

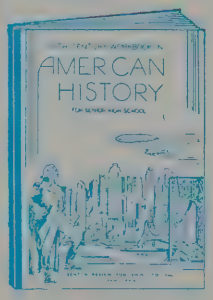
ADD-A-GRAMS — New game to teach basic addition combinations. Played like anagrams. Easily administered.



THE MAGIC TEACHER PUZZLE-PLANS

The Magic Teacher PUZZLE-PLANS, for teaching beginners, are based upon a simple yet effective and psychologically sound teaching procedure. Their underlying principle is the matching of separate question and answer parts of sets of cards which have been die-cut with jig-saw patterns. The child has to make the associations correctly because each card or item has a different matching pattern. The puzzle element holds his attention and the matching patterns serve as connecting links until he learns the answer. Each set in a box 5 x 8 in. with complete instructions.

The series covers all basic subjects in primary grades. Self-administering and self-checking.

Equipped with Adlake Double Hung Windows

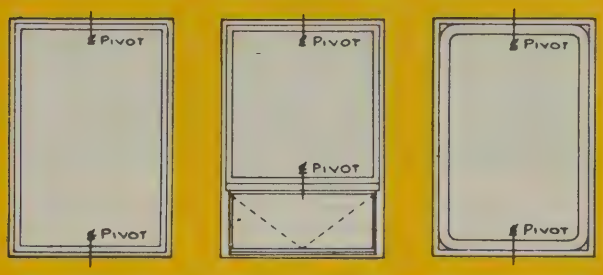
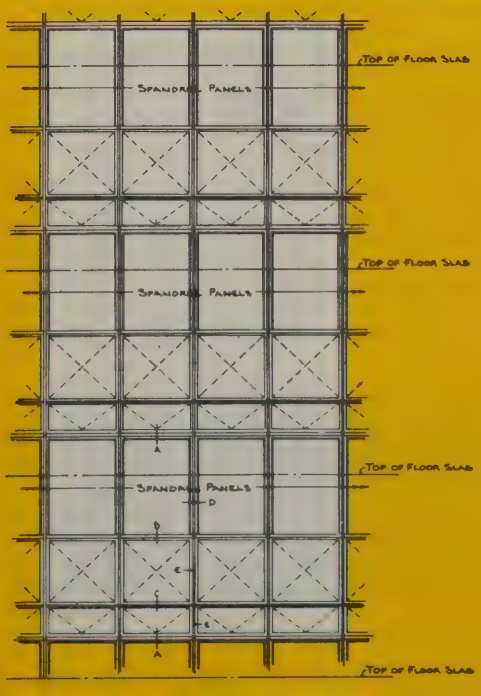
1 ADLAKE PROJECTED WINDOWS

These Adlake aluminum windows are available in the styles shown in these sketches. Maximum vent width, 5′0″. Maximum vent height, 2′9″. Made of custom heavy section aluminum, with non-metallic polyvinyl plastic weather-stripping. Complete with hardware and aluminum screens.



2 ADLAKE DOUBLE HUNG WINDOWS

Available in a wide range of styles as shown here, all Adlake Double Hung Windows are completely double weather-stripped with a high pile woven wool fabric, highly impervious to elements. This, used in conjunction with Adlake's patented serrated guides, gives Adlake windows finger-tip control and minimum air infiltration. They never warp, rot, rattle, stick or swell.

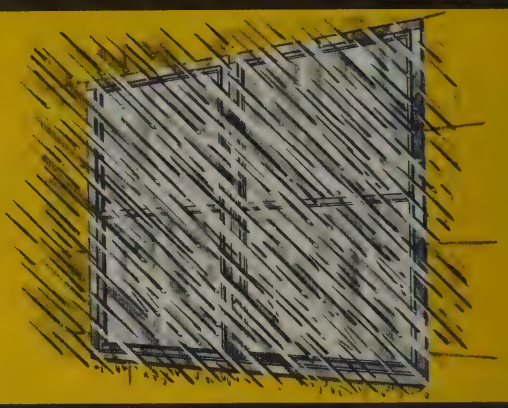


3 ADLAKE REVERSIBLE WINDOWS

Adlake Reversible Windows are available in the types shown here. All can be washed easily from *inside* the building. They all have these basic Adlake advantages: minimum air infiltration...finger-tip control... no painting or maintenance...no warp, rot, rattle, stick or swell.

4 ADLAKE CURTAIN WALLS

Adlake manufactures curtain walls of various types...aluminum, porcelain enamel and glass to obtain necessary water proof curtain wall fenestration.



DOUBLE GLAZED. All Adlake Reversible Windows, Projected Windows, and Series 600, 700, and 800 Double Hung Windows are available for insulating double glazing. Curtain Wall and Stationary also may be double glazed.

STATIONARY WINDOWS. Adlake manufactures aluminum windows for fixed installations.

Only Adlake aluminum windows give you these plus features!

Protection against water and air infiltration...

Quality control tests make sure you get a weather tight window when you specify Adlake. In this test on an Adlake Double Hung Window, for instance, approximately 300 gallons of water a minute are played on the window. Not a drop comes through! In another test, wind pressure equivalent to 97 M.P.H. on one side of the window does not cause the slightest draft on the other, due to air infiltration!

Easy installation—and no maintenance...

Adlake Aluminum Windows save construction time, trouble and money because they are ready to be secured directly into the prepared masonry openings. And you can forget about maintenance other than routine window washing.

For Adlake Aluminum Windows never warp...never rot ...never rattle or stick...never need painting. They keep their good looks and easy operation for the life of the building!

Finger-tip control...

Adlake Aluminum Windows may be raised or lowered with ease, and laboratory tests prove that this "finger-tip control" is not lost throughout the life of the window.

For Adlake Windows have been raised *one million times*, and still operate as smoothly and easily on the last raising as on the first!

Weatherstripping and serrated guides

ALL ADLAKE Windows are completely double weatherstripped with a high pile woven wool fabric, which is highly impervious to the elements. The high pile woven weatherstrip used in conjunction with the patented serrated guides, imparts to the ADLAKE Double Hung Window that degree of weathertightness, finger-tip control and noiseless operation which is synonymous with quality fenestration.

DON'T CUT CORNERS ON SCHOOL BUS SAFETY!

You buy good school bus equipment. You keep it well maintained. You put mature, experienced drivers behind the wheel. Yet, regardless of these precautions, you may be overlooking the most vital safety feature your buses can have—*air brakes!*

Look at it this way: Virtually every commercial bus in the country is air brake equipped. Why? Because commercial bus operators have learned from experience that air brakes are the fastest, surest, most dependable stopping power under every operating condition.

They can't take chances on passenger safety. Neither, of course, can you. So don't cut corners on school bus safety. Make certain your students receive the proven protection of the world's safest braking system by insisting that all bids submitted on new school buses include air brakes.

The choice is yours—make it the safest one.

St. Mary's Cathedral at Covington, Kentucky, one of the oldest and most venerated Roman Catholic Cathedrals in the United States, contains in the great window of the north transept one of the largest and most renowned stained glass windows in the world. From Covington Diocese, in early days, Catholicism spread throughout the entire Upper Middle West. St. Mary's Cathedral has been honored by the Pope with the designation of Basilica. The marble floor of the Sanctuary, time-worn and maintenance abused, was restored to its original beauty by Hillyard floor treatments applied under supervision of a Hillyard Maintaineer.

Inset shows one of the two marble stairways leading to the Throne

RARELY have you seen a double-face Main Altar such as Giuseppe Tommasi Studios executed for the new Chapel of Our Lady of the Angels. Between the two Altars, starting at extreme right and left, are parapets (see inset) with stairways leading to the Exposition Throne. The Altars are comprised of four monolithic columns; Throne and stairways are of selected marbles from our studios in Pietrasanta, Carrara, Italy. Baldachino Canopy is Polychromed oak. Included in this highly original creation are identical marble side Altars, Shrines and wood Communion Rails for each Chapel. The Angels holding the bronze monstrance-support are of matched multicolor marbles. Special attention is invited to the Venetian mosaic inlays.

BUTLER'S LIVES

Presented, in Chicago, Illinois, at the eighteenth anniversary celebration of the Thomas More Association, May 4, 1957.

THE THOMAS MORE
ASSOCIATION MEDAL

The supreme work on the Saints

"First compiled by Reverend Alban Butler in the eighteenth century and later partially revised by Herbert Thurston, S. J., early in this century, this monumental work was completely revised, expanded and brought fully up-to-date by the late Father Thurston and the noted English scholar and hagiographer, Donald Attwater.

"An encyclopedic undertaking, the revised edition presents in four handsome and expertly crafted volumes the lives of more than 2,500 saints and beati—over a thousand more than were treated in the original work. Distinguished scholarship and uniformly excellent editing establish for this edition an unquestionable right to serve as the comprehensive and definitive source for the rich legacy of the lives of the saints.

"That everywhere this work has met with the highest praise and acclaim from reader, critic and scholar. . . . This edition of Butler's LIVES OF THE SAINTS not only fills a great need in Catholic letters, it is the finest history of the saints ever published in the English language—truly a supreme work by any and every standard." *(Excerpted from the citation accompanying the medal.)*

• More than 2500 biographies, arranged according to the days of the year. • Over 3200 pages. Index by both name and date in each volume. Complete index in fourth volume. • Handsome illuminated binding with gold stamping.

TYPICAL PLANS, such as the one shown left, are available to interested schools. Or Mutschler sales engineers will design a floor plan especially for your installation. We provide this service free . . . when you specify Mutschler.

Schools of the Southeast (as well as those in other areas) recognize our Mutschler School Furniture as the elite of school equipment for foods laboratories, clothing laboratories, arts and crafts rooms, and supplemental areas. Northern maple cabinetwork is sturdily built to take the rigors of everyday school usage. Catalytic finishes, both in beautiful decorator colors and a choice of grain finishes, are practically impossible to scratch and are impervious to household solvents and cleaners. New building or remodeling project, many schools of the Southeast have discovered that they get more for their money with Mutschler . . . and you will, too. Great new '57 SUPERIOR

. . . the world's safest transportation for the world's most important passengers

There is a vital distinction between the building of a *bus* . . . and the creation of *safe school transportation.* That distinction is immediately apparent in the great new 1957 Superior Coach.

To be sure, the 1957 Superior is more competently engineered, more conscientiously constructed than any in the history of school bus production. But significantly more important—your 1957 Superior is *safe child transportation,* the *safest* transportation you can invest in for the most important passengers in the world.

Indeed, you'll appreciate the brilliant new features that identify the 1957 Superior. But more particularly, you'll marvel at the *collective result* of those skillfully-integrated features—the safety, the comfort and the well-being of the youngsters who ride inside.

Call us soon for an inspection of the coach industry's finest achievement in safe school transportation.

"Lend me the stone-strength of the past
And I will lend you the wings of the future . . ."

THESE LINES are apt as one considers the contents of the 125th annual issue of THE OFFICIAL CATHOLIC DIRECTORY. We all know that this Directory reflects the present numerical strength of the Catholic Church in America, but there are times when it seems fitting to cast a backward glance to measure the possibilities of the future.

Since the issuance of the 1956 OFFICIAL CATHOLIC DIRECTORY eleven members of the hierarchy—four Archbishops and seven Bishops—have been called to their reward. What did these eleven represent? Perhaps the most elementary yardstick would be this: a total of 528 priestly years, 312 of them as diocesan Shepherds, devoted to the care of souls and to the guardianship of the Faith in our country.

In humility we might note as well the passing of laymen who in their distinctive rôles have contributed their strength to the building of the Catholic press. One such was Louis Kenedy who for 45 years was Editor of THE OFFICIAL CATHOLIC DIRECTORY.

These and so many others have become part of the "stone-strength of the past" who have helped make "the wings of the future," which is now in the hands of the vast thousands of clergy and religious listed here—and among them the 19 newly appointed Bishops of the United States: three Ordinaries, two Coadjutors, eleven Auxiliaries and three Vicars Apostolic. In addition, one Bishop was raised to Archiepiscopal dignity, two Coadjutors succeeded to Sees, nine Auxiliary Bishops have become Ordinaries, one Bishop was transferred to another See, and one Auxiliary Bishop was also transferred.

During the past months certain ecclesiastical territories have undergone changes which should be noted as well. We find the merger of the Diocese of Kansas City–St. Joseph; the change of name of the Diocese of Natchez to Natchez-Jackson; as well as the erection of five new dioceses: Atlanta, Gary, Jefferson City, Springfield–Cape Girardeau, and the Apostolic Exarchy of Byzantine Rite of Stamford, Connecticut.

The direction of the future can in some small way be measured, in the realm of statistics at least, by the vast number of facts and figures contained within the pages of this Directory; and especially when these facts and figures are compared with earlier statistics will it become evident that the "wings of the future" have been built on "the stone-strength of the past."

FOR THOSE WHO USE THE CATHOLIC DIRECTORY

The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.

A Public Service

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

What the Directory Contains

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

How to Find Things . . .

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

. . . About the General Plan . . .

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

. . . About Prelates . . . Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

. . . About Officials . . . In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

. . . About Places . . . The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

. . . About Statistics . . . If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

. . . About Clergymen . . . If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

. . . About Religious Order Priests . . . Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

. . . About Brothers . . . In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

. . . About Nuns . . . There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

The Complete Edition As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Bermuda, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PIUS XII

EUGENIO PACELLI

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The government presently is administered by a Pontifical Commission of which His Eminence Cardinal Nicola Canali is President.

The Apostolic Nuncio to Italy is Most Rev. Giuseppe Fietta, Titular Archbishop of Serdica.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

I. THE SACRED CONGREGATIONS

SUPREME SACRED CONGREGATION OF THE HOLY OFFICE

(*Suprema S. Congregatio Sancti Officii*).

Its object is to guard the teaching of faith and morals; to judge on heresy, the dogmatic doctrine of the Sacraments, matters concerning the dogmatic doctrine of indulgences of new prayers and devotions, all matters pertaining to the Eucharistic fast of priests celebrating Mass, the impediments of *Disparitas cultus* and *mixta religio* and all questions which concern the so-called *Privilegium Paulinum*, and all matrimonial causes whatsoever between a Catholic and a non-Catholic (whether baptized or unbaptized) which are in any way brought before the Holy See. Comprises the counties of Bartholomew, Brown, Clark, Clay, Crawford, Dearborn, Decatur, Fayette, Floyd, Franklin, Hancock, Harrison, Hendricks, Henry, Jackson, Jefferson, Jennings, Johnson, Lawrence, Marion, Monroe, Morgan, Ohio, Orange, Owen, Parke, Perry, Putnam, Ripley, Rush, Scott, Shelby, Switzerland, Union, Vermillion, Vigo, Washington and Wayne, and the township of Harrison in Spencer County, in the southern part of Indiana, with a Total Population (1950 Census) of 1,505,527.

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
